

HEART OF CHAOS

an artisan collective

The chalk art festival will bring an explosion of color, vitality and a sense of community to the park as HOC artists demonstrate the many varieties of chalk art and invite the children and adults in the neighborhood to create their own art using chalk provided by Heart of Chaos.

In between every artist will be several open sections of concrete with trays of colorful chalk intended for anyone who visits the park on that afternoon and wants to create their own fanciful chalk art painting.

This event is supported in part by a grant from the City of San Jose. Heart of Chaos is a program of Catalyst for Youth, a 501 (c) 3 non profit corporation.
