GREEN EARTH FRIENDLY ARTS AND CRAFTS

Artwork and Photography created and poetry written for the Re;Use juried competition and the general sustainability theme must be created with materials that have been previously used and probably for an unrelated purpose or recycled or can be created with natural or earth friendly materials expressing ecological themes. For example below left is "Metal Man" a sculpture created with objects found on the street. Below right is a necklace made from wood. Photography exploring the natural environment is also acceptable for the sustainability exhibit.
